

Masters

A busy and adventurous year as we mix fundraising and football. In October we will be off to Melbourne for the World Masters tournament, only 120 sleeps to go. On the soccer side we have had a mixed year, some very good wins, and a few hidings but such is the friendly nature and camaraderie of Masters football "it doesn't matter". A star has emerged in the twilight years of his career, Alan Goy ("4 goal AI"). He is playing brilliantly scoring 4 goals last week (he's thinking of getting out the Grecian 2000 and vying for a run with the youth team). Gentleman Jack Travis is always willing to stop for a chat and applaud his opposite for dribbling past him, but Jack that goal last week, oh so slick, it thundered into the back of the net. Our "Friar Tuck" brigade of Marty and Phil are holding their own, Phil was even seen to pirouette twice against Halswell. The language barrier between, Rob from the Welsh Rugby team, Tom ex-Liverpool AFC, Nick ex-Ajax Amsterdam and Dave ex-Bexley Tip hasn't stopped their speed and domination in the midfield. It would be nice to mention all the others but watch this spot for features on Dave (hands) Gorst, and others. And kids don't forget the **three P's of Passing, Possession and Position**. If you remember these 3 elements you never know we might invite you into the Masters one day.

1st Womens

We have had a mixed season to date, not winning as many games as hoped! But competing in the top Womens division will never be easy. As we move into the 2nd half of the season the teams have been split into a top four, bottom four situation, with us placed in the bottom four. We feel that we can be really competitive in this competition and hopefully come close to some silverware. I would like to commend the players on their attitude and commitment. Attendance at training is great and all players have improved, especially the younger ones. It is a pleasure to be involved with this team.

Jeremy Busby, Co-Coach

1st Mens

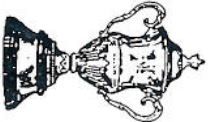

Halfway through the season and we find ourselves very nicely placed in 2nd position in the league, only 2 points behind the leaders. To kick on from here and finish the job will take nothing less than 100% commitment (an ounce of luck won't go astray either). To those far too few people who come and watch each week, thanks very much from the guys, it does mean something to us.

THE CHATHAM CUP

Standing 52 cm high and crafted by London silversmiths in 1915 (with a silver collar added in 1922), it is inscribed:

CHALLENGE CUP
presented to
THE NEW ZEALAND FOOTBALL
ASSOCIATION
by the SHIP'S COMPANY OF
HMS CHATHAM
December 1922

Our 3rd round Chatham Cup game against Christchurch United resulted in a 7-1 loss. This was a reasonable result for Burwood considering the quality of the opposition. Burwood battled throughout the game until the final whistle, in fact scoring the last goal of the game. The players enjoyed their Chatham Cup stint, and would like to thank the supporters who came along to English Park.
