

### 8th Grade Panthers

The Panthers are having an exciting and enjoyable season with 6 wins and 3 losses so far. The boys are playing their positions well, learning to work as a team and showing excellent sportsmanship. Brendon Mills has played most of the season in goal and has developed good skills (he's also good at scaling the goal-posts and coming down in a hurry). Matthew Laurie also plays well in goal and has shown great improvement on the field. Geordie Shaw is a solid and tenacious defence player and combines well with our youngest player, David Gosney, who is always energetic and has excellent skills gained in the midgets. Bradley Meyer has taken well to the wing and has scored a couple of timely goals, as have Chris Shiefelbein and Scott Tannis, they are reliable forwards who pass well. Caleb Jennings is playing skilfully, always giving his best and has a powerful kick - scoring several goals. Daniel Dihnah is unstoppable once he sets his mind on scoring, and has clocked up 5 goals in 1 game. Keep up the good work boys. Special thanks to Stephen Jennings who is doing a great job as co-coach.

**Coach:** Brian Shaw

### 9th Grade Broncos

The Broncos are a very enthusiastic team. Stephen van der Weert, Jason Mills, Cody McDonald, Marcus Shaw and Daniel Moore are now in their 3rd season together. This year they were joined by Andrew Hampton and Jesse Cheesman who are already showing promising talent even though this is their 1st year of playing soccer. The boys have a very strong team spirit. Although they have yet to win a game this season they have drawn many and the score is not always a true indication of how closely the teams were matched. Keep up the good work boys.

**Coach:** Herman van der Weert

### 9th Grade Hotspurs

The 9th grade Red section started the season very new to the game and naturally to each other. From my own observations and that of our devoted regular Saturday supporters, these guys are developing real skills and an understanding of the game which is to their credit. They are playing with real enthusiasm and are realising that as a team playing to each others' strengths and weaknesses they are strong. I enjoy seeing their development and appreciate the emerging talent. It is my hope that we are all enjoying being part of this team.

**Coach:** David Clark

### 9th Grade Tigers

Burwood Tigers are roaring loud and strong and so are their supporters. Families, grandparents, brothers and sisters are giving fantastic support and the team really appreciates it. Darren Shea, Reece Dihnah and Nathan Sheppard have kept busy up front. They have received excellent service from Richard Price, Jason Seaward and Simon Jelfentes in the mid-field. The backs have been brilliant. In particular, Chris Day, Adam Sawwell and Joshua Stoppforth. Everyone has had a turn in goal and there have been some terrific performances. Keep up the good work Tigers!

**Coach:** Graham Stoppforth

### 10th Grade Hawks

Another season is well under way now and it finds the team motivated and enjoying the games. All the boys are improving by gaining in confidence and skills. I find keeping the guys in specific positions always a bit tricky. The team is made up of: Forwards: David Filius, Kyle McKerrow, Pietro Baroni, James Kingston and Timothy Day. Wings: Neil Falkingham and Benjamin Melville. Backs: Euan Ward and Nicholas Aitken. The goal-keepers position has been shared between James, Pietro and Tim. I hope we will continue to have an enjoyable season and thank the parents for their support, especially to Christine Falkingham for taking the coaching on when I am unable to attend due to my shift work. Regards to all.

**Coach:** Eric Ward

### 10th Grade Pumas

The team is currently enjoying a successful season, having lost only 1 game and being held to 2 draws. From a group of boys who started the season chasing the ball around and waiting for things to happen, a team has developed which consistently impresses it's coach and spectators with their skill and maturity on the field. This improvement is a direct result of the effort put in by each player at training and during the game. Starting from the backs the team is Andrew Shea, Nicholas Brewer, James French, mid-field, Ryan Isherwood, Hayden Cave, Stephen Stewart, up front, Danny Lingard, Michael Scott and Craig Gosney.

**Coach:** Brendon Isherwood

### 10th Grade Chiefs

This season has been great so far with the boys enjoying their soccer plus doing well in their games. They have played 9 games, winning 5, drawing 1 and losing 3. This year I'm lucky to have some boys in the team with natural ability, Joshua Ryder and Marnell Kokana have put away 29 goals between them. They were well backed up by Timothy Cone and Jonathan Keen who set up heaps of these goals. James Oman, Phillip Jackson and Andrew Why have been excellent in defence, and Jamie French and Tom Quinn are both having a good season. We rotate goal-keepers and all have done well. The boys have made, and I'm sure will continue to make this season both a joyous and memorable one.

**Coach:** Carl Ryder

## TEAM REPORTS

### 8th Grade Tornados

The season started with a win and then 4 successive losses. However, 2 wins and 2 losses in the last 4 games see the boys and girls beginning to play as a team and producing some good soccer. The loss of Andrew McHardy after 1 game was a great blow, so "Get well - see you next season, Andrew". The positive support by the parents from the sidelines is most welcome and just what all young players need at this stage of their development. On a positive note - the weather has to improve for the rest of the season.

**Coach:** Vern Harkness

### 8th Grade Wizards

To date the Wizards have played 9 games and lost only 3, one of which was their first and their biggest loss! They are all first year players and have improved markedly since that first game. Their keenness is demonstrated by an almost 100% attendance at training every week, and the way in which they come together as a team. Andrew (who has scored his first hat-trick), Christopher, James and Steven are all consistent goal scorers. Brenton is an outstanding tackler and is followed closely in this by Carl, Jordan and Mitchell. Matthew and Ben are showing great all-round progress. We always have loyal and enthusiastic support from parents who present from the sidelines a very fair and unbiased example for the boys and the club.

**Coach:** Geoff Price
